# APPLICATION QUESTIONNAIRE

Please check off which areas you are interested in. **NOTE MINIMUM REQUIREMENTS FOR EACH POSITION**

- Cashiers** - If you have computer and/or cash experience, enjoy a fast paced environment and are committed to providing the highest possible standard of customer service, this is an excellent opportunity for you. Cashiers are expected to have an enthusiastic, friendly and approachable attitude combined with the ability to process customer's purchases accurately and efficiently. Other duties include answering the phone, receiving and stocking merchandise, maintaining the cleanliness of the store, balancing cash floats daily and more. Join our great team and learn more about plants and gardening as a bonus!
- Cashier Assistant** - If you enjoy performing a variety of job duties with plenty of activity at a fast pace, you will enjoy the position of Cashier Assistant. Your primary responsibility will be to assist our Cashiers in providing fast, friendly and courteous service to our valued customers. Other duties may include stocking product, helping unload shipments, loading vehicles, maintaining store cleanliness and so much more. This position provides an opportunity to learn a variety of new skills and is a great starting point for you if you want to learn more about gardening and superior customer service. Gardening experience/knowledge is an asset but not a requirement.
- Garden Décor and Supplies** – This position involves ensuring each customer receives outstanding service. Responsibilities include maintaining product knowledge in fertilizers, chemicals, garden tools and fountains (training provided, previous knowledge an asset). This department also assist our customers in planning and maintaining their water features. You will be expected to learn the functions of water garden products, basic design and aquatic plant and their care. Other tasks include merchandising, displays, maintenance, receiving shipments and replenishing stock as well as some cleaning tasks. We require someone with a positive, customer focused attitude, attention to detail and the ability to do some heavy lifting. Previous retail experience an asset.
- Trees, Shrubs & Roses Sales** - If you have a passion for hardy shrubs, trees and roses and you would like to share your knowledge and experience with our customers, this is a great opportunity for you. This department takes a great deal of pride in the training we provide to our staff, and the advice they are in turn able to provide to our customers. If you are interested in working in an outdoor, physically active and fast paced environment, have exceptional customer service skills, team spirit and a drive to excel, we want to hear from you. We look forward to expanding our seasonal staff with physically fit, outgoing and positive personalities who are eager to learn!
- Trees, Shrubs & Shrubs Labour Assistant** - Greenland is seeking physically fit individuals who enjoy customer service in an outdoor environment. Your main responsibilities would include unloading truckloads of trees (in all weather conditions!), placement of product in the Garden Centre, maintaining the overall cleanliness of the Garden Centre, loading customer's purchases into vehicles. Other duties will include watering, weeding, sweeping and re-stocking of plant material. Gardening experience/knowledge is an asset but not a requirement.
- Annual Sales** - If you enjoy planting annuals at home and have a basic knowledge of popular annuals and their cultural requirements, this may be a position for you. Annual staff must have the ability to offer helpful advice to both novice and experienced gardeners. Applicants should be physically fit and able to tolerate heat. Responsibilities regularly include unloading shipments, re-stocking shelves, watering, moderate to heavy lifting, maintenance, etc.
- Perennial Sales** - Take pleasure in expanding your gardening knowledge by joining our Perennial team. Applicants must have a thorough knowledge of perennials, how they grow, cultural requirements, effective combinations etc. This position involves offering helpful and accurate advice to all levels of gardeners, unloading and stocking plants, maintenance of plants, etc. This position is physically demanding and requires a level of strength and endurance.
- Branches Restaurant** - Greenland's new restaurant, "Branches" offers a unique menu of fresh food items. Positions include kitchen staff and serving staff. Preference will be given to applicants with previous restaurant and food service experience.
- Outside Operations** - This position involves general labour and construction as well as customer loading of bulk landscape products using a Bobcat. Responsibilities could also include being part of the delivery and planting crew. Physical strength and customer service skills are key requirements.
- Outdoor Tree Planting Crew** - Applicants must have excellent endurance and physical strength and the ability to work outdoors in a variety of weather conditions (pouring rain to extreme heat!). Planting crew members are required to plant shrubs and a variety of trees, including large size caliper trees. Knowledge of gardening and planting is an asset, but not required.
